INTERNATIONAL POST-ADOPTION SERVICE AGREEMENT

Birth Family Search – Korea

Korean-born adult adoptees (aged 19 and older) or parents of adopted minors can initiate a search for birth parents. Lutheran Child and Family Services of Illinois (LCFS) will facilitate the exchange of available social or medical information through Eastern Social Welfare Society (ESWS). If the adoptee/adoptive family plans on traveling to Korea and requests a review of the adoptee's file at ESWS and/or a first-time meeting with the birth family, all requests must be made at least 30 days prior to travel. NOTE: Age restrictions may apply and ESWS may decline a request for a birth parent search for a minor unless there is a medical need.

FEE: \$300

Correspondence with Located Korean Birth Family and/or Foster Family

LCFS can serve as an intermediary between an adoptee and located birth family and/or foster family members by facilitating ongoing correspondence. Photos and letters will be emailed to ESWS' Post Adoption Program. We are unable to provide translation services. If both parties consent to share email addresses, ESWS will then encourage direct contact.

FEE: \$30 per correspondence
